Hi All, I hope you will forgive a "mothers" bragging. LOL. So last Sun we were headed north to Seattle to pick up a boat, and decided to do a UKC show along way. In addition to being great practice for Moony (she actually got a Best In Show Novice Puppy) they also offer Pee Wee Jr handling. This class is for 2-4 year olds. Its not actually judged but the little kids have a great time, and everyone at the show makes a big deal out of it. They always give them a "participation" ribbon, and at this show they actual gave "first" place ribbons as well. The kids in these little classes get to have a parent along to help make sure the dog doesn't get away. Anyway here are some pictures that Christa took of Lyssa and me in the ring. Everyone especially got a kick out of Lyssa "placing" Loo's feet when she was on the table. When Lyssa left the ring everyone was cheering for her and so she started clapping too. LOL, Her dad got a great picture on his phone of her waving her ribbons around in the air. Well thanks for letting me brag. Lorene

## DON'T LEAVE YOUR DOG OUT IN THE COLD

Dogs, like humans, are vulnerable to harsh weather conditions during winter months. While some breeds are more susceptible to extreme temperatures, frostbite or hypothermia can occur in any dog left outside for long periods of time without proper shelter and care.

Your dog depends on you to be a responsible pet owner. Most dogs enjoy short, brisk walks in the snow but they're safest when in the warmth of your home.
